RE: Digital Communications Training Hosted Joint Council No. 7

With our current political atmosphere becoming increasingly anti-worker, communications will play a pivotal role in the preservation of worker rights and growth of unions. Share ideas on how your Local can leverage technology to reach members quickly and cost-effectively. This training will cover mass email blasts, text messaging, social media, websites, and more. Local Union staff who currently handle communications or staff who have an interest in launching a digital communications program are encouraged to attend.

When: Thursday, February 15, 2018

Where: Teamsters Local Union No. 386
1225 — 13th St.
Modesto, CA 95354

Time: 10 a.m. to 2 p.m.

Lunch will be provided. Please R.S.V.P. to Local 856 Communications Director Nicole Casey, ncasey@ibt856.org or (650) 266-7712
