

**NOTICE OF PROTECTION PROVIDED BY
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION**

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association ("the Association"). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers' care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations or the rights or obligations of the Association.

COVERAGE

• **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

• **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

• **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

• **Life Insurance**

80% of death benefits but not to exceed \$300,000

80% of cash surrender or withdrawal values but not to exceed \$100,000

• **Annuities and Structured Settlement Annuities**

80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

• **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of April 1, 2011, is \$470,125. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

To be eligible you must satisfy the following requirements:

1. On the date your insurance under the Group Policy terminates, you must be able to perform with reasonable continuity the material duties of at least one gainful occupation for which you are reasonably fitted by education, training and experience.

(If you are unable to meet this requirement, see the **Right To Convert** and **Waiver Of Premium** provisions for other options that may be available to you under the Group Policy.)
2. On the date your insurance under the Group Policy terminates, you are under age 75.

4. You must apply in writing and pay the first premium directly to us at our Home Office within 31 days after the date your insurance under the Group Policy terminates. You must purchase portable group life insurance coverage for yourself in order to purchase any other insurance eligible for portability.

If approved, the certificate you will receive will be governed under the terms of the Group Life Portability Insurance Policy and will contain provisions that differ from your Policyholder's coverage under the Group Policy.

B. Amount Of Portable Insurance

The minimum and maximum amounts that you are eligible to buy under the Group Life Portability Insurance Policy are shown in the **Coverage Features**. You may buy less than the maximum amounts in increments of \$1,000.

C. When Portable Insurance Becomes Effective

Portable group insurance will become effective the day after your employment with your insurance under the Group Policy terminates, if you apply within 31 days after the date your insurance under the Group Policy terminates.

If death occurs within 31 days after the date insurance ends under the Group Policy, life insurance benefits, if any, will be paid according to the terms of the Group Policy in effect on the date your insurance under the Group Policy terminates and not the terms of the Group Life Portability Insurance Policy. AD&D benefits, if any, will be paid according to the terms of the Group Policy or the Group Life Portability Insurance Policy, but not both. In no event will the benefits paid exceed the amount in effect under the Group Policy on the day before your insurance under the Group Policy terminates.
